

Leibniz  
Universität  
Hannover

The Institute of Algebraic Geometry invites applications for a PhD position as a

## **Research Assistant (m/f/d) in Algebraic Geometry (Salary Scale 13 TV-L, 75 %)**

to be appointed October 1st, 2023 or later. The position is limited to three years.

### **Responsibilities and duties**

The successful candidate is given the opportunity to work towards a PhD in algebraic geometry. He/she is expected to contribute to the teaching and research of the department.

### **Employment conditions**

To qualify for the position, applicants must hold a master or diploma degree in Mathematics with above-average success in Algebraic Geometry or neighbouring areas.

The university aims to promote equality between women and men. For this purpose, the university strives to reduce under-representation in areas where a certain gender is under-represented. Women are under-represented in the salary scale of the advertised position. Therefore, qualified women are encouraged to apply. Moreover, we welcome applications from qualified men. Preference will be given to equally-qualified applicants with disabilities.

For further information, please contact Prof. Dr. Stefan Schreieder (Phone: +49 511 762-2248, Email: [schreieder@math.uni-hannover.de](mailto:schreieder@math.uni-hannover.de)). For more details about the institute, please visit: <http://www.iag.uni-hannover.de/>

Please submit your application with the usual documents by June 11th, 2023 in electronic form via [MathJobs.org](https://www.mathjobs.org) or alternatively via postal mail to:
