

Leibniz
Universität
Hannover

The Institute of Algebraic Geometry invites applications for the position of a

PhD Student (m/f/d) in Algebraic Geometry (Salary Scale 13 TV-L 75 %)

to be appointed on April 1, 2024 or later. The position is limited to three years.

Responsibilities and duties

The candidates are given the opportunity to work towards a doctoral degree in algebraic geometry. The successful applicant is expected to contribute to the teaching programme of the research group.

Employment conditions

To qualify for the position, applicants must hold a completed academic university degree (Master or Diploma) in Algebraic Geometry or related fields. Proof of above-average academic performance is expected.

The university aims to promote equality between women and men. For this purpose, the university strives to reduce under-representation in areas where a certain gender is underrepresented. Women are under-represented in the salary scale of the advertised position. Therefore, qualified women are encouraged to apply. Moreover, we welcome applications from qualified men. Preference will be given to equally-qualified applicants with disabilities.

For further information, please contact Prof. Dr. Stefan Schreieder (Phone: +49 511 762-2248, Email: schreieder@math.uni-hannover.de). For more details about the institute, please visit: <http://www.iag.uni-hannover.de/>

Please submit your application with the usual documents by December 10th, 2023 in electronic form via Mathjobs.org

or alternatively via postal mail to:

Gottfried Wilhelm Leibniz Universität Hannover

Institut für Algebraische Geometrie

Welfengarten 1

30167 Hannover

<http://www.uni-hannover.de/jobs>

In addition, please arrange for two recommendation letters, to be sent directly by the reviewer (by upload to MathJobs.org or by postal mail).
