

Leibniz  
Universität  
Hannover

The Institute of Algebraic Geometry invites applications for the position of a

## Research Assistant (PhD Student, m/f/d) under the ERC-Grant "RationAlgic" (Salary Scale 13 TV-L, 75 %)

to be appointed on April 1st, 2021 or later. The position is limited to four years and offers the opportunity to do a doctorate.

### Responsibilities and duties

The successful candidate is expected to contribute to the research of the department.

### Employment conditions

A university degree in mathematics is a prerequisite for employment. We expect above-average academic performance in Algebraic Geometry.

As an equal opportunities employer, Leibniz University Hannover intends to promote women and men. For this reason, suitably qualified women are specifically invited to apply. Preference will be given to equally qualified applicants with disabilities.

For further information, please contact Prof. Dr. Stefan Schreieder (Phone: 0511 762-2248, Email: [schreieder@math.uni-hannover.de](mailto:schreieder@math.uni-hannover.de)). For more details about the institute please visit: <http://www.iag.uni-hannover.de/>

Please send your application with the usual documents and a letter of motivation, using **subject header "PhD-ERC"**, by December 6th, 2020 in electronic form to

Email: [applications@math.uni-hannover.de](mailto:applications@math.uni-hannover.de)

or alternatively via postal mail to:

**Gottfried Wilhelm Leibniz Universität Hannover**

Institut für Algebraische Geometrie

Welfengarten 1

30167 Hannover
